

## WINDBLOWN BLOCK – SWEET LILAC CROCHET ALONG

### HOW TO READ THIS CHART

- Each square is outlined in black and numbered 1-16
- Each grey outlined square within the numbered blocks = 1 c2c tile
- White = main color
- Colored squares = coordinating colors
- Black circle = starting square for each block

For block number 1 you would start at the bottom left corner, work 7 increasing rows in a coordinating color, change to your main block color and work 6 decreasing rows.

Block number 2 starts at the bottom left corner of block number 1. You would work 7 increasing rows of your coordinating color. Change to main color and 6 decreasing rows
